

Personal Website Outline

Website Title: Brandon Chao | Digital Portfolio

Purpose:

This website showcases who I am, my academic interests, extracurriculars, skills, and experiences in a professional digital portfolio.

Structure:

Single-page scrolling portfolio with slide-in sections and optional navigation links.

Sections:

1. Hero Section — Name, tagline, photo, optional portfolio button
2. About Me — Introduction, interests, goals, visuals
3. Resume Section — Education, coursework, extracurriculars, projects
4. Skills Section — Technical, academic, and soft skills
5. Projects/Experiences — Robotics, Track, Student Council, academic projects
6. Contact/Footer — Contact information or closing statement

Front-End Plan:

Smooth scrolling, slide-in animations, cards, icons, consistent colors/fonts.

Back-End Functionality:

Navigation links jump to sections, scroll-triggered effects, responsive layout.
